

An evening of fine wine and fine food

The prestigious Michel Torino Winery of Argentina and The Management Team and Staff of the Hilamar Hotel, Kinnegad, hosted a very special evening recently when guests enjoyed fine wines and sumptuous food in conjunction with 'Classic Drinks' of Cork.

The evening kicked off at 7.15pm with a drinks reception in the all new fabulous Enclosure Club where the 40 guests had a chance to mingle and talk to winemakers, while sampling some of the fantastic wine on offer.

Dinner followed at 8pm sharp in the beautifully presented Prestbury Suite, where the chef prepared a 7-course feast of handmade dishes, prepared exclusively to match the wines of Michael Torino. Each course was introduced with a guided tasting from the winemakers themselves.

"The Hilamar Hotel's Sales and Marketing Manager, Patrice Whelehan, plans to run a series of similar nights in conjunction with Classic Drinks,

when prestigious winemakers are visiting Ireland.

"For anyone who enjoys their wines it is a fabulous opportunity to get up close and personal with the winemakers and listen to them talk so passionately about their wines and have them guide you through the whole taste experi-

ence," says Patrice. "As a wine lover, I plan to build upon this evening to really establish and offer the public a unique evening of fine wine and fine food, something unique to the area. We were absolutely delighted to avail of the opportunity to have our waiting staff professionally trained by these guys earlier in the day."

The Hilamar Hotel's next evening will be a Chilean Night taking place on Tuesday, Oct 17, when Alvaro & Javier Paredes of Torreon de Paredes will present their wines again matched to handmade prepared dishes. Dinner will be accompanied by a Spanish guitarist. Tickets are €60.00 per person including wine. Limited Availability.
